Let us start our walking and shopping tour at the head of Nassaustraat at LEO BERLINSKI, jeweler, featuring platinum and 18 kt. gold jewelry set with precious and semi-precious stones, cultured pearls, the world famous Girard Perregaux and other well known Swiss made watches. They carry sterling, silver plated and stainless steel cutlery, bone china and ceramic dinnerware, crystal from France, Finland, Sweden and England, figurines, teakwood articles, petit point and beaded bags. There are gifts galore in every price range just waiting for you, so browse to your heart's content.

Right next door is the wonderland of the airconditioned PEASANT SHOP, with handicrafts from 52 countries! Madeira linens, handcarved wooden figurines, masks and lamps. Cashmere sweaters from Pringle, Lyle & Scott and Cox Moore; also beaded sweaters. Meerscham, Dunhill, Comoy pipes. Folklore art and souvenirs from Asia, Africa, Latin America and Europe. Gold and silver jewelry and charms, crystal, Copenhagen and Bavaria porcelain. You'll like PEASANT SHOP'S excellent service!

Across the street we find one of Aruba's oldest, yet most modern and up-to-date stores, ARUBA TRADING COMPANY, affiliated with the Yellow House in Curaçao. Here, all under the same roof, you will find a fabulous collection of perfumes, cosmetics, cashmeres, Danish pipes, D'Avenza sportcoats, French and Italian ties, and gift articles sure to please young or old. Liquor and cigarettes in bond are delivered free of charge to your ship or plane. Still under the same roof, their airconditioned PHOTO EL GLOBO carries one of the Caribbean's largest selections of photographic and electronic equipment. A most courteous and friendly welcome awaits you at the ARUBA TRADING COMPANY.

At No. 22 is BOTICA DEL PUEBLO. If you're running low on suntan lotion, hairspray, toothpaste, cosmetics, and other toilet articles, take a few minutes at this drugstore. They also carry perfumes and colognes, as well as the delicious Verkade and Cadbury chocolates, and Dutch "zoute drop" (licorice). If you want to replenish your vitamin supply, or want a prescription filled, their reliable "apotheker" (pharmacist) will be glad to be of assistance.

We now walk on to the corner of the block, where we find the stairs that lead to EVA BOUTIQUE, house of custom made designs as well as ready made clothing for Milady. Original designs are created from a wide selection of European fabrics, most carefully fitted to the customer. Imports from Italy, France, and Switzerland can be easily altered if need be. Sportswear and costume jewelry round out their attractive line of merchandise. Drop in at EVA BOUTIQUE where you can have a shift made in a few hours, and most designs in 24 hours.

Crossing the street again the carillon and the lovely showcase displays identify SPRITZER AND FUHRMANN'S wellknown Aruba store. They will be pleased to show you their unique collection of diamond and gold jewelry, mostly exclusive pieces from the Continent. Fine watches such as Patek Philippe and Piaget and a wide range of Swiss novelty watches, all advantageously priced. There are clocks, evening bags, objets d'art, crystal, sterling and bone china from the most famous European houses, much more than we can mention.... plus their very special brand of personalized service. Your guarantees are honored at their New York store, 5 East 57th Street and you are "bonbiní" at their lovely stores in Bonaire, Curaçao, and St. Maarten.

Once more we zigzag across Nassaustraat, till we come to LA

ARUBA CARIBBEAN HOTEL-CASINO

More than six years have passed since the spacious air-conditioned Aruba Caribbean Hotel-Casino, on Aruba's magnificent Palm Beach, welcomed its first guests. This eight-story luxury resort hotel has 120 rooms and 20 cabanas. The brand new South wing, just opened a month ago, has 80 beautiful rooms, decorated and furnished by Mesker, Aruba's own furniture store and interior decorators. All rooms have walk-in closets, and completely private balconies with a beautiful view of the blue Caribbean.

The Aruba Caribbean Hotel-Casino can truly be labeled a "complete resort". Along the quarter mile white sandy beach one can indulge in swimming, water skiing, water cycling, sail-fishing, snorkeling, boating, and deep sea fishing. There is also the Olympic size swimming pool, pool bar and the Divi Divi coffee shop.

Superb food is served in the gorgeous Klompenclub which extends into the Papiamento Room. There's dancing and nightly entertainment by such top stars as Tony Martin, Xavier Cugat and Van Johnson. The exotic Bali Bar has its own peppy band and singers. Equalling all other pleasures is the intriguing gaming Casino, with forty one slot machines, roulette, craps, blackjack, and a wheel of fortune. You will be able to spend some wonderful and entertaining hours trying to "beat the house"!

The architect of the Aruba Caribbean Hotel-Casino, Mr. Morris Lapidus, who also designed the Fontainebleau, Eden Roc, and Americana in Miami Beach, was so fascinated by the strange rock formations that are found in Aruba, that he toured all over the island, selecting the particularly weird rocks that now make the hotel's landscaping unique. Another interesting fact about the hotel is its doorless lobby, comfortably cooled by the constant trade-wind and symbolizing Aruba's wide open-door hospitality.

Make it a day or a stay at the Aruba Caribbean Hotel-Casino where upon entering the wind whispers a friendly "Bonbiní"!

The "Scoop" on U.S. Customs Regulations

U.S. Customs Regulations need not frustrate the traveling shopper. Shopping in the Netherlands Antilles can result in many a worthwhile saving. Here are some of the facts about the new October 1, 1965 Customs Regulations and some tips which will make your shopping in the Netherlands Antilles pleasant and profitable.

The U.S. Customs Regulations allow that:

Each returning resident may take back with him, free of duty and tax, articles totaling \$ 100.—, providing the stay abroad has exceeded 48 hours and that the \$ 100.— exemption or any part of it has not been used within the preceding 30 days. (The \$ 100.— is based on the fair retail value of the items in the country obtained).

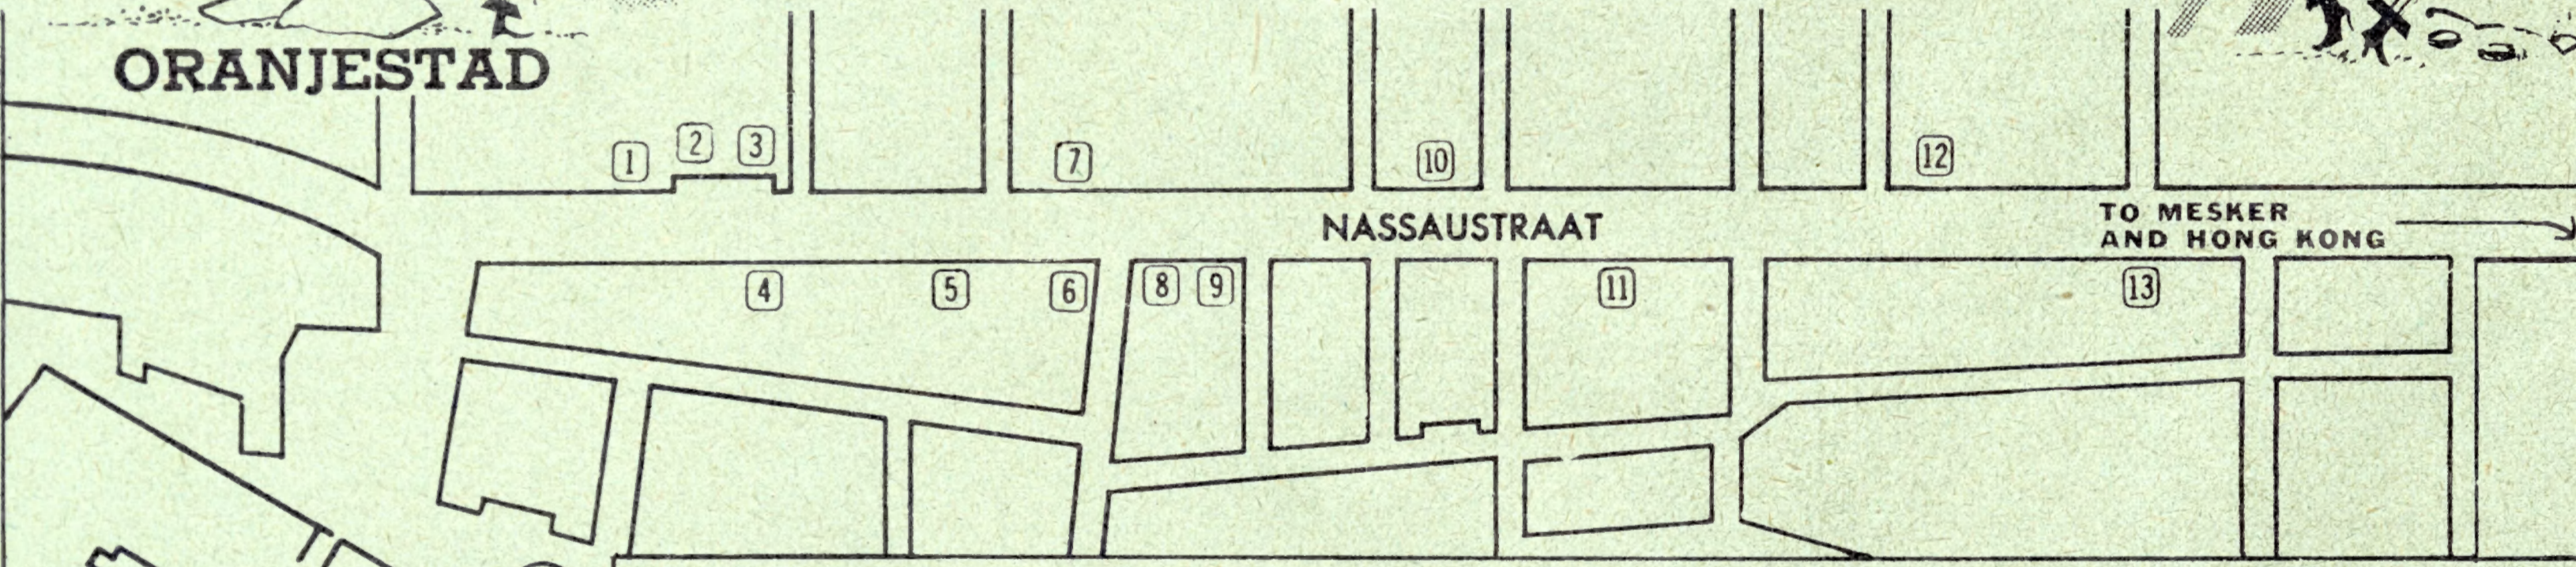

The advantages to be considered are:

1. There is **NO LIMIT** to the number of articles you can take back, as long as you pay duty on the amount in excess of the \$ 100.—. The duty on purchases in excess of \$ 100.— is levied on the **WHOLESALE PRICE** of the item **IN THE COUNTRY OBTAINED** (the customs officer generally subtracts 40% of your retail cost to arrive at the wholesale value). Now here is where you can effect your savings. For example: Let us say that a camera retailing in the U.S. for \$ 50.— is retailing in Aruba for \$ 30.—. U.S. Customs will levy a 15% duty on 60% of the \$ 30.— Aruba price. This is only a duty of \$ 2.70. Thus, the total cost of the camera to you, including the duty you will pay on arrival in the U.S. is only \$ 32.70! which is still considerably lower than the U.S. retail price of \$ 50.—.

2. **GIFTS . . .** In addition to the \$ 100.— exemption, each traveller can mail an **UNLIMITED NUMBER** of gifts valued up to \$ 10.— each, to friends and relatives back home, provided the addressee does not receive in a single day gift parcels exceeding the \$ 10.— limitation. **NO** declaration is required, and **NO** tax is levied. Gifts of liquor and tobacco are not permitted, but perfume, valued at less than one dollar, is permitted in this privilege.
3. **LOW DUTY** items are **GOOD BUYS** because even when including the duty they will cost you far less than you would pay back home. Such items as cameras, watches, jade, perfume, cultured pearls, phonograph records and shoes are good buys.
4. **FREE OF DUTY** are portable typewriters, foreign photographic film, original paintings, drawings and sculptures, foreign language books, antiques produced before 1830 . . . and of all things, caviar and truffles!
5. **WEAR AND TEAR** on items purchased during your trip and used during the trip, such as clothing, cameras, binoculars, watches, will be considered by the customs authorities. When declaring these items, mention that they have been used on the trip and the customs officer will make an appropriate reduction for wear and/or use on the value of the item and on the subsequent duty.
6. An **UNLIMITED AMOUNT** of cigarettes can be brought in duty-free (with-in your \$ 100.— exemption) for personal use (New Yorkers, please note!). Cigars, however, are limited to 100.
7. **DUTY-FREE LIQUOR** may total one quart per person over 21. Substantial savings can be realized when taking back more than one quart because even with the duty it comes out cheaper than at the corner liquor store in the U.S. This is especially so on higher priced brand items, and on brandy and wine. E.g. a bottle of liqueur retailing in the U.S. for \$ 9.26 is sold in bond in Aruba at \$ 2.75. The duties levied are \$ 2.35, thus the total cost of this bottle to you, including the U.S. duty, is only \$ 5.10, and your savings amount to \$ 4.16! Imagine the savings on five such bottles amounting to \$ 20.80!!!!
8. Remember that you are not allowed to bring back merchandise originating in Communist China, North Korea, North Vietnam and Cuba.
9. **SAVE MONEY** by using your \$ 100.— exemption for the high duty items. Pay duty on the low duty items.
10. Go through U.S. Customs **SMOOTHLY** by filling out your declaration carefully, keeping your dutiable items together and your sales slips handy.
